ENERGY EDUCATION WORKSHOP

**FREE workshop for
K-12 teachers.**

Apply now!
www.need.org/empower

Deadline: February 10, 2023

Watch our
video:

Hilton Sandestin Beach Golf Resort & Spa
June 4-7, 2023

The Empower Energy Education Workshop provides an exciting opportunity for K-12 teachers to learn about energy education and fun ways to integrate it into your classroom, using curriculum designed for your students.

Join 150 other educators for this immersive workshop made possible by a scholarship from Pioneer Electric Cooperative.

Continuing Education Credits are available to each participant who completes the workshop.

All participants will receive a NEED Science of Energy Kit, a class-set of NEED Energy Infobooks (at grade level), access to all NEED Curriculum Guides and supplemental resources.

Network with other educators from across Alabama and northwest Florida.

Hilton Sandestin Beach Golf Resort & Spa
June 4-7, 2023

Workshop registration, lodging at the Hilton Sandestin Beach Golf Resort & Spa and meals at the event are included in the scholarship. Mileage to and from the workshop will be reimbursed.

We will make hotel reservations for attendees. Details will be sent with confirmation of conference participation. The hotel will extend the discounted rate to attendees who wish to pay for two additional nights prior to or immediately following the conference*.

*Limited availability.

APPLYING IS EASY!

Apply online at **NEED.org/empower** before
February 10 to apply for a spot. Space is limited.
